lightning tournament

Advancement to the cup phase

1. Group winners advance to the top 32. If the group win is a tie, the highest ranked tied player advances.
2. The rest of the top 32 is filled by the players who tied with their group winner, in the rank order.
3. If there is still room, the rest of the top 32 is filled by the players with the most points, in the rank order.

If there are multiple players tied for the 32nd spot, the player who advances is chosen by lottery.
